

The First University in Korea
Soongsil University

Admissions Guide for Spring 2027

Special Procedures for New and Transfer International Students

※ Applicants are supposed to understand all the content and details contained in this Admissions Guide and are solely responsible for any problems or disadvantages resulting from a failure to do so. For more details and any possible change of information, please visit the Admissions Office home page at iphak.ssu.ac.kr

※ This admissions guide is written in Korean language and translated into English and Chinese. In case of any conflict about the meaning of this admissions guide, the Korean version shall prevail over any translation.

Soongsil University: Illuminating Your Path

Just as stars guide us through the night, Soongsil University has become a beacon of light on the journey to the future. Throughout its history, Soongsil has nurtured leaders who have thrived even in challenging times.
With approximately 1,600 international undergraduate students, Soongsil University offers a variety of programs designed to ensure a successful college experience. We invite you to become the next bright start of Soongsil – a talent who will light up the future and illuminate the world.

What makes Soongsil Special

1. Support for improving Korean language skills

To improve the language proficiency of international students, we offer a specialized liberal arts curriculum and comprehensive support for the TOPIK test.

- **Specialized Liberal Arts Curriculum for International Students**
  - Intensive Korean language and basic academic skill development during the first and second semesters
  - Courses focused on academic Korean language and writing
  - Liberal arts electives including *Understanding Korean Studies* and *Understanding Korean Thought,* comprising 12 credits centered on Korean language and culture.
- **TOPIK Test Support**
  - Special study groups for students without TOPIK certification
  - Maximized test registration opportunities as Soongsil is an official TOPIK testing center
- **Generous scholarships related to Korean language proficiency**

2. Personalized Learning Competency Development programs

Based on an assessment of students' academic success capabilities, we provide personalized programs to enhance learning competencies.

- **Learning Competency Diagnosis for International Students**
  We assess the seven major learning competencies (cognition, motivation, and learning behavior) using the Learning Competency Diagnostic Tool (LCT-CBM). Individual results are provided with detailed reports and personalized reinforcement programs are offered.
- **Tutoring Support for International Students**
  Groups of 3-6 international undergraduate students are paired with a Korean or senior international undergraduate/graduate student for tutoring and mentoring.
- **1:1 Learning Coaching**
  Professional study coaches analyze student/career test results and help students develop and implement personalize learning strategies.
- **Korean Language Contest for International Students**
  Improves Korean writing skills by linking the Korean language curriculum with extracurricular activities, providing opportunities to write beyond academic assignments
- **Mentoring Program for Students on Academic Probation**
  Two mentoring sessions are available for students on academic probation from the previous semester

3. Support for Adjusting to Life in Korea

To assist international students in adapting to life in Korea, we support the creation of student organizations and provide programs that address potential challenges such as phishing and other crimes.

- **Mentor-Mentee program**
  This program fosters interaction between Korean and international students, helping them to adapt to both academic and everyday life.

4. Psychological Counseling in Multiple Languages

- To help international students adjust academic life in Korea, we offer psychological counseling with multilingual counselors, including "Mind Care" psychological assessments and in-depth counseling sessions to support mental well-being.

5. Employment Consulting and Support Programs

- We provide international students with job information in Korea, including consulting on job applications, interview strategies, and opportunities to meet with senior international students who have successfully found employment.

6. Extracurricular Opportunities with Korean and International Students

- International students will have opportunities to interact with Korean and exchange students through events like International Day, where students can share their cultures and engage in activities at the Global Information Center.
